HAPPENINGS

MANY THINGS PLAYED A PART IN OUR LIVES THROUGHOUT THE SCHOOL YEAR. NOT JUST the school associated problems either, but really important things which made an effect on us or will have very soon. The war, sex, drugs, and world peace were very with-it problems that bothered us all. We questioned these things but no one would really answer them for us. We had to decide for ourselves what influence they would have in shaping our ideals. Our future was up to us now.

UNDER THE DIRECTION OF A NEW VOCAL MUSIC INSTRUCTOR, THE 1972-73 REBEL CHOIR PARTICIPATED IN MANY EVENTS, leading to a successful year. Mr. Ronald Flurry directed not only Rebel Choir, but Rebelaires, Glee Club, Mixed Ensemble and Girls's Ensemble. Handel's "Messiah" was presented before the Christmas holiday vacation, and members of Ensemble dressed as insects to perform "The Grasshopper" during homecoming assembly. HOMECOMING AT WM FOLLOWED THE THEME OF "Go West" Monroe. Members of the court carried out the theme by wearing western clothes. Excerpts from "Fiddler on the Roof" and "Tonight" were played by the band, and Mixed Ensemble performed "The Grasshopper." Mike Griggs was the narrator.

Homecoming court consisted of seniors. Cathy Head escorted by Billy Hulsey; Linda Streetman escorted by Randy Fleming; Judy Warren escorted by Barry Roberson; Maggie Titmus escorted by Bryan Boney; and Lou Ann Staton escorted by Mike Shields. Juniors were Sherri Littleton escorted by Paul Maxey; Lynn Newman escorted by John Head; and Susan Caufield escorted by Kent Adams.

Football players enjoyed hamburgers at To To's. D.E. captured first place in homecoming displays created by organizations and clubs, including WMHS Alumni Association.

Half time presentation was narrated by George Griggs. Even though it rained and the court sat under a shed, we won!

REBELS

VICTORY IN THE FIRST ANNUAL WEST MONROE-Wossman Jamboree proved pleasing for many area fans and for WMHS new coaches as the Rebs won 10-0. Pete Mangum, and his coaching crew in their first game as Rebel mentors, were well pleased with the play of the Rebels.

After receiving a fourth down punt, West Monroe marched 65 yards in less than five minutes. Johnny Herbet scored from four yards. Robbye Beckwith followed with the two-point conversion.

Second half play involved both teams committing several mistakes. Each team's defense rose to the occasion to stop any real threat into its own territory. An additional two points were added to the score for the rebels with a blocked punt, and a safety by Dub Hatten and Paul Maxey.

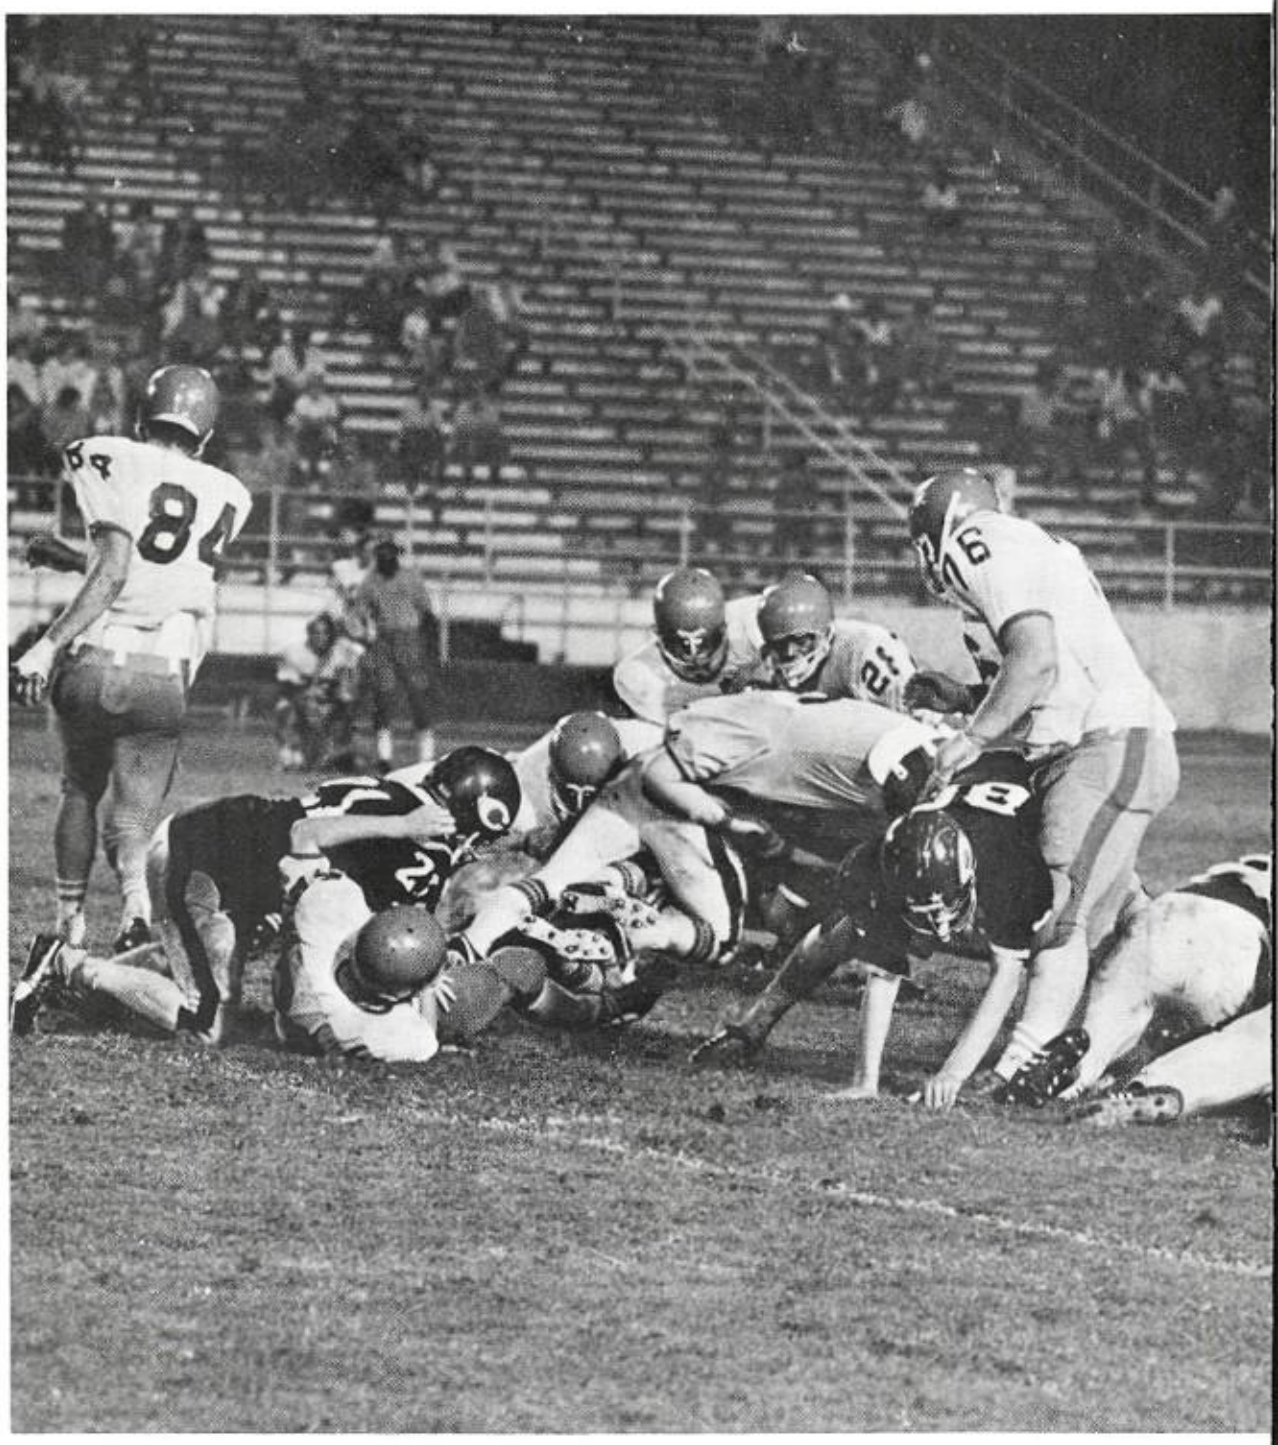
DEFENSE WAS THE BIG FACTOR FOR BOTH TEAMS throughout the first half at Rebel Stadium, where West Monroe Rebs hosted Richwood Rams. Sparked by John Heard and Ken Bonnette, the Rebel defense limited Richwood to only six points the first half, scoring with less than a minute in the half.

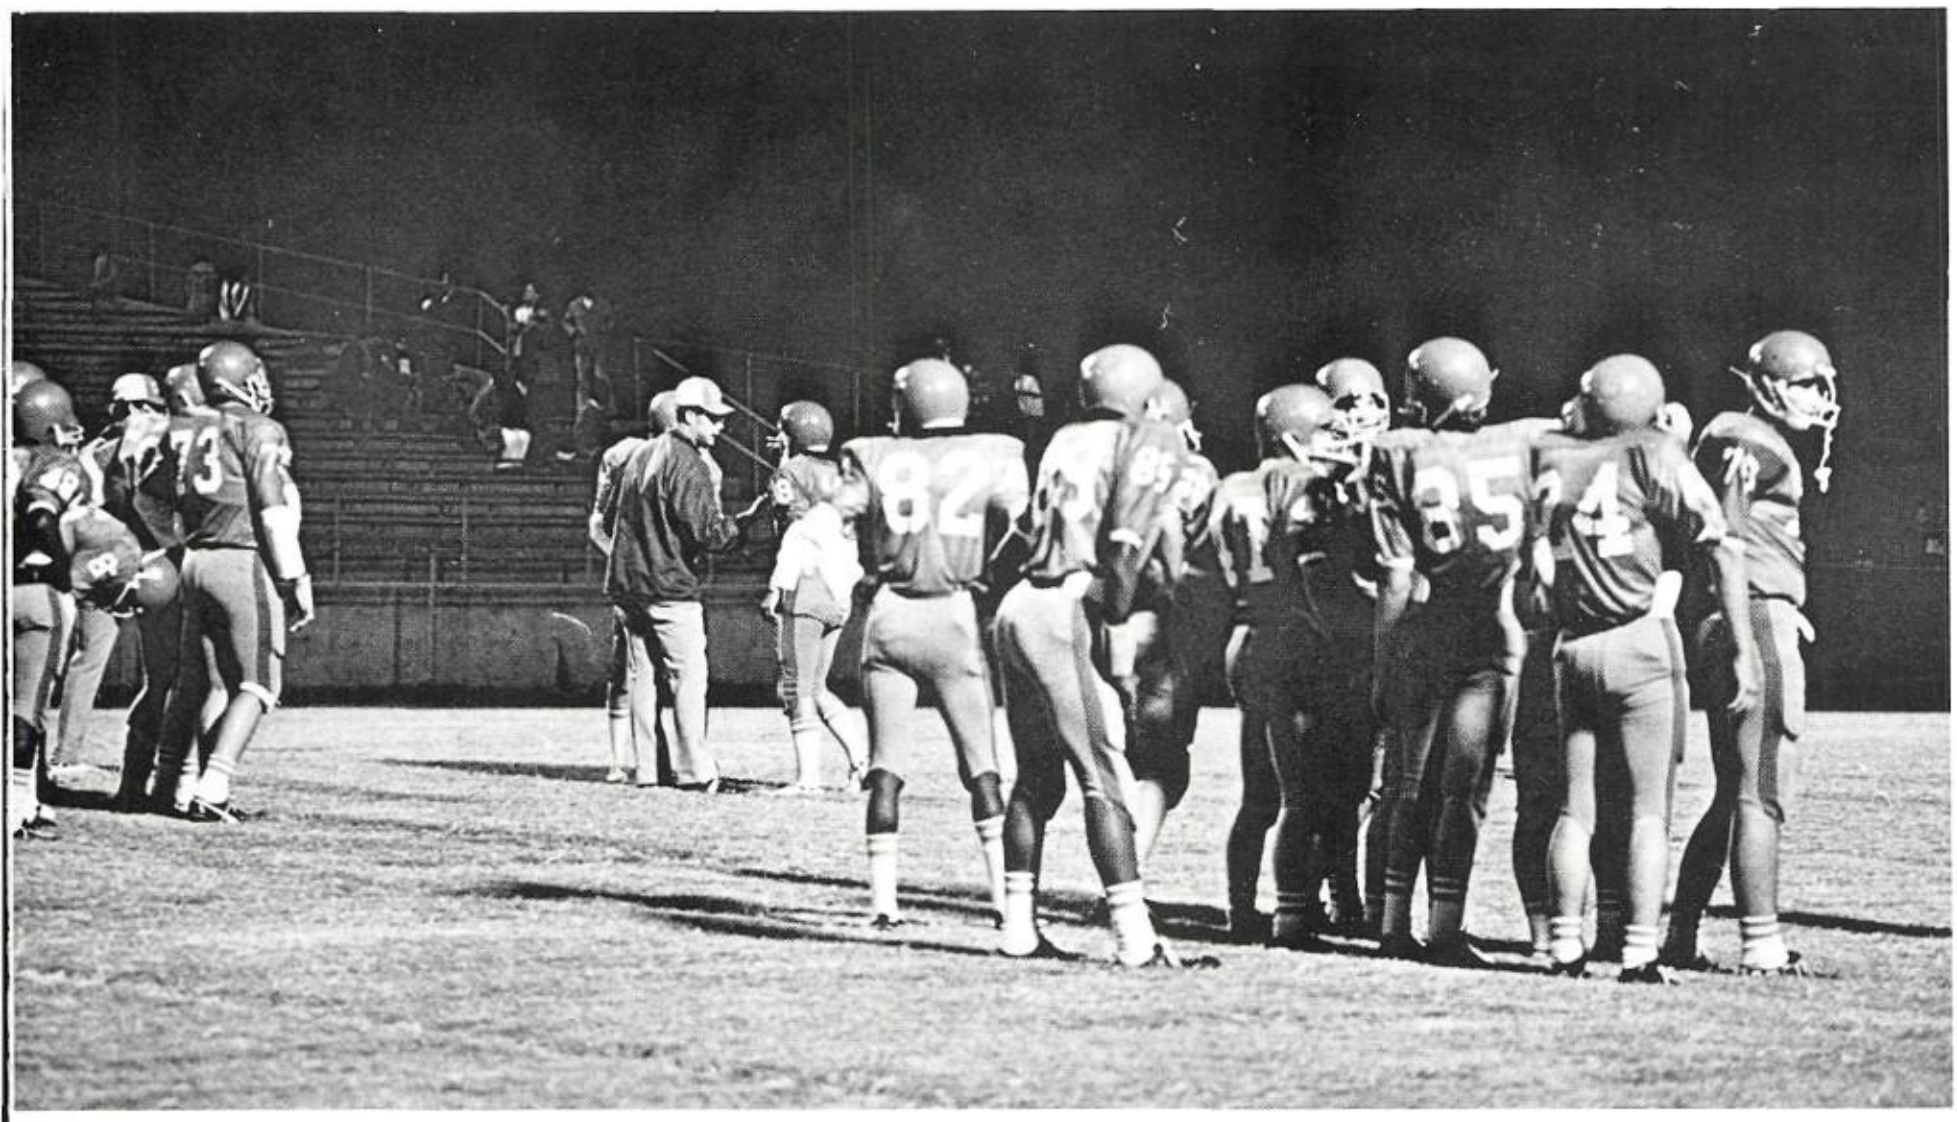
Offensively, the Rebels sputtered momentarily throughout the half, but sparks of flashy play showed with a run of 30 yards by Robbye Beckwith, and Johnny Herbet covering valuable yardage in the middle of the Richwood line.

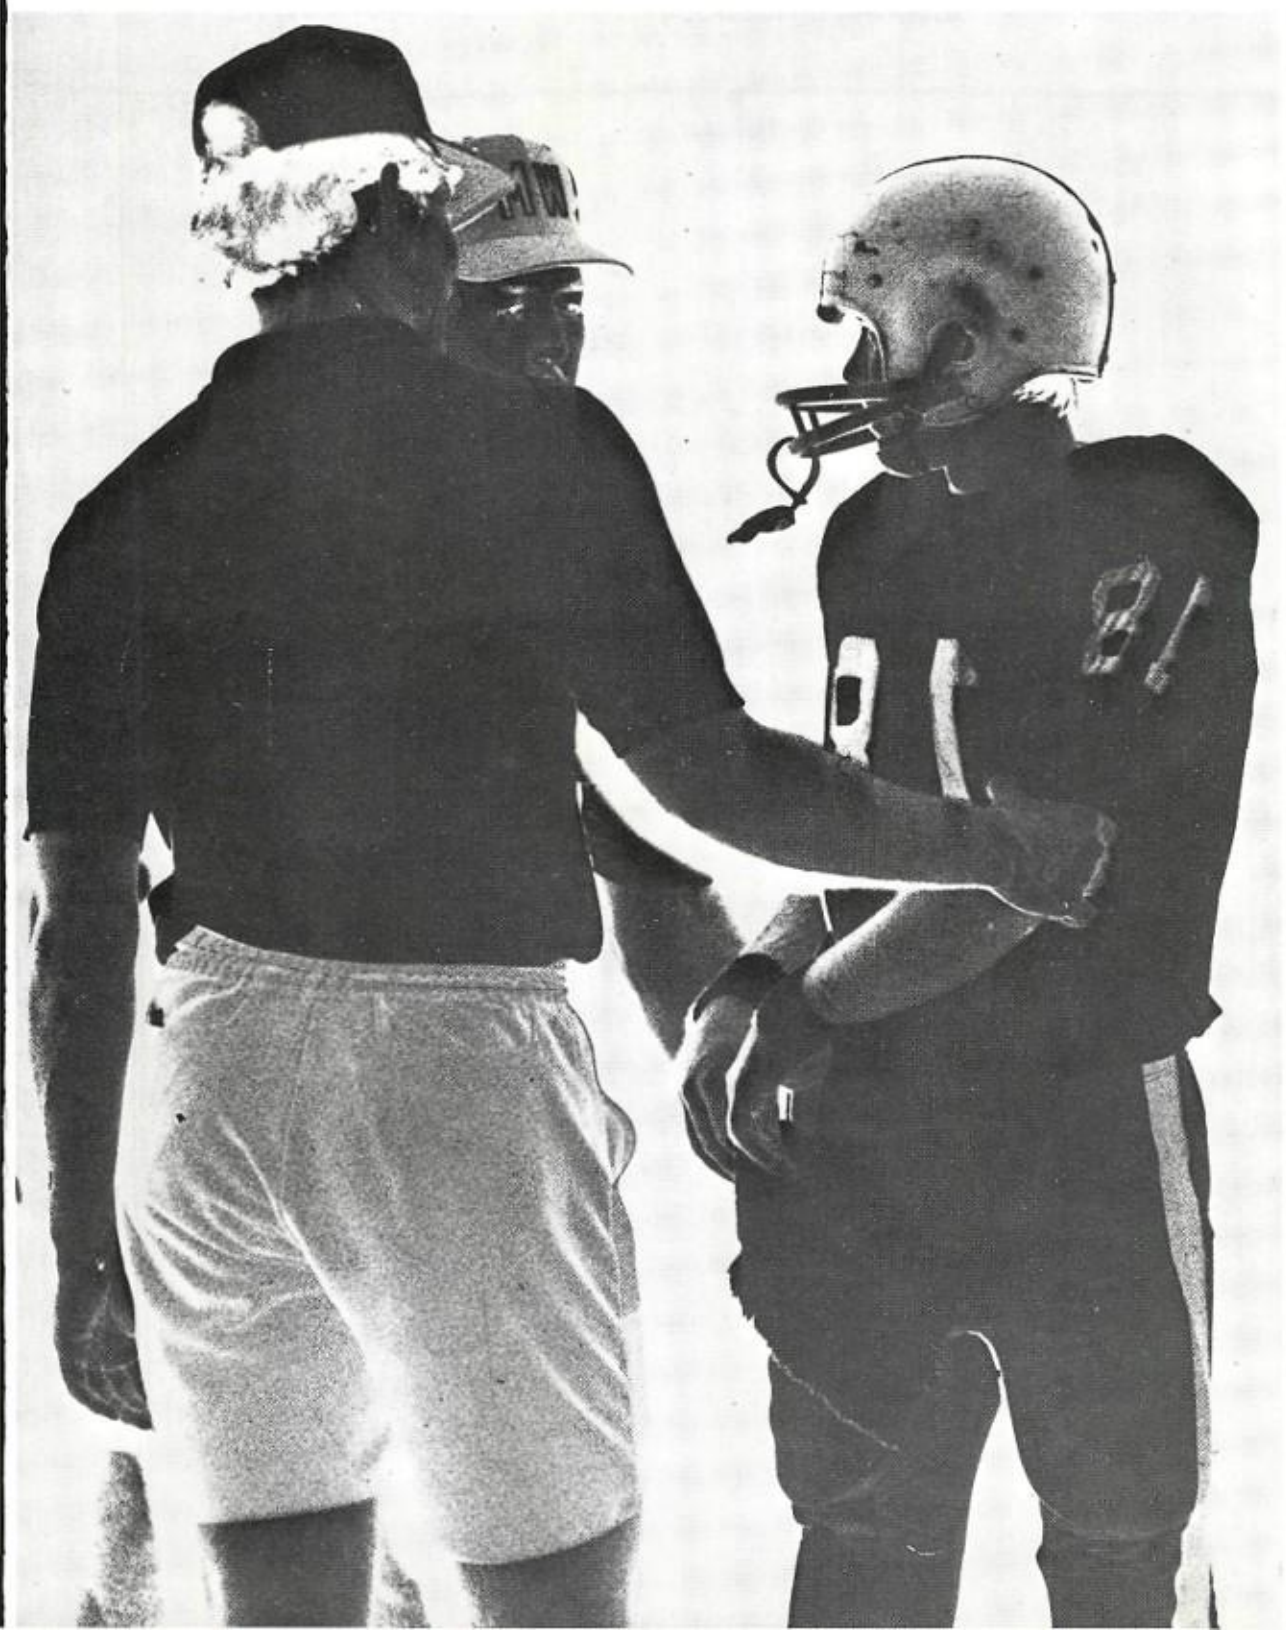
Richwood's two other scores came in the third quarter of play on a pass and a run of 55 yards by Darryl Carter.

Offensive explosion propelled West Monroe over Central of Baton Rouge 32-8. With the ground game working, and key passing by quarterback Randy Fleming, Rebels posted their second win of the young season. Tommy Glass was the workhorse for the Rebels, rambling 58 yards in the first half, and scoring twice on runs of 12 and 6 yards.

Fleming also connected with Earnest Richards on a 30-yard touchdown pass late in the second quarter. The other 14 points were supplied by the second team players for the Rebels.







COACH PETE MANGUM, IN HIS FIRST YEAR AT WEST Monroe, inspired the Rebs to victory against Ferriday Bulldogs. The defense, under coaches Jim Knox and Elvin Spears, held the Bulldogs to only 7 first downs.

Tommy Glass bulled his way over from one yard out to put the Rebs ahead 6-0. A pass from Dirk Allision to tight end, Mike Shields was good for 24 yards and set up another Rebel score. Glass banged in for another score, to make the score 12-0. Another scoring drive, coupled by a screen pass from Randy Fleming to Johnny Herbet and passing protection from the Rebel interior line, made the score 18-0.

Bulldog's lone score came from a 76-yard run by Jesse Hawkins.

NEVILLE'S TIGERS UNLOADED ON THE WEST MONROE Rebels for their first district win of the season. Proving their number two ranking in the state, Tigers easily handled Rebels throughout the three and one half quarters played, with a tough passing and running game.

Rebel offense, however, punched out 98 yards on the ground, more than was rushed against Neville in its first three ballgames, although Neville won 32-0.

Gene Berry's field goal with three seconds in the third quarter proved powerful enough as West Monroe registered their second district win, this one over Bolton.

Defensively Rebs had some problems. Bolton Bears rushed for 183 yards, 150 of the yards in the first half.

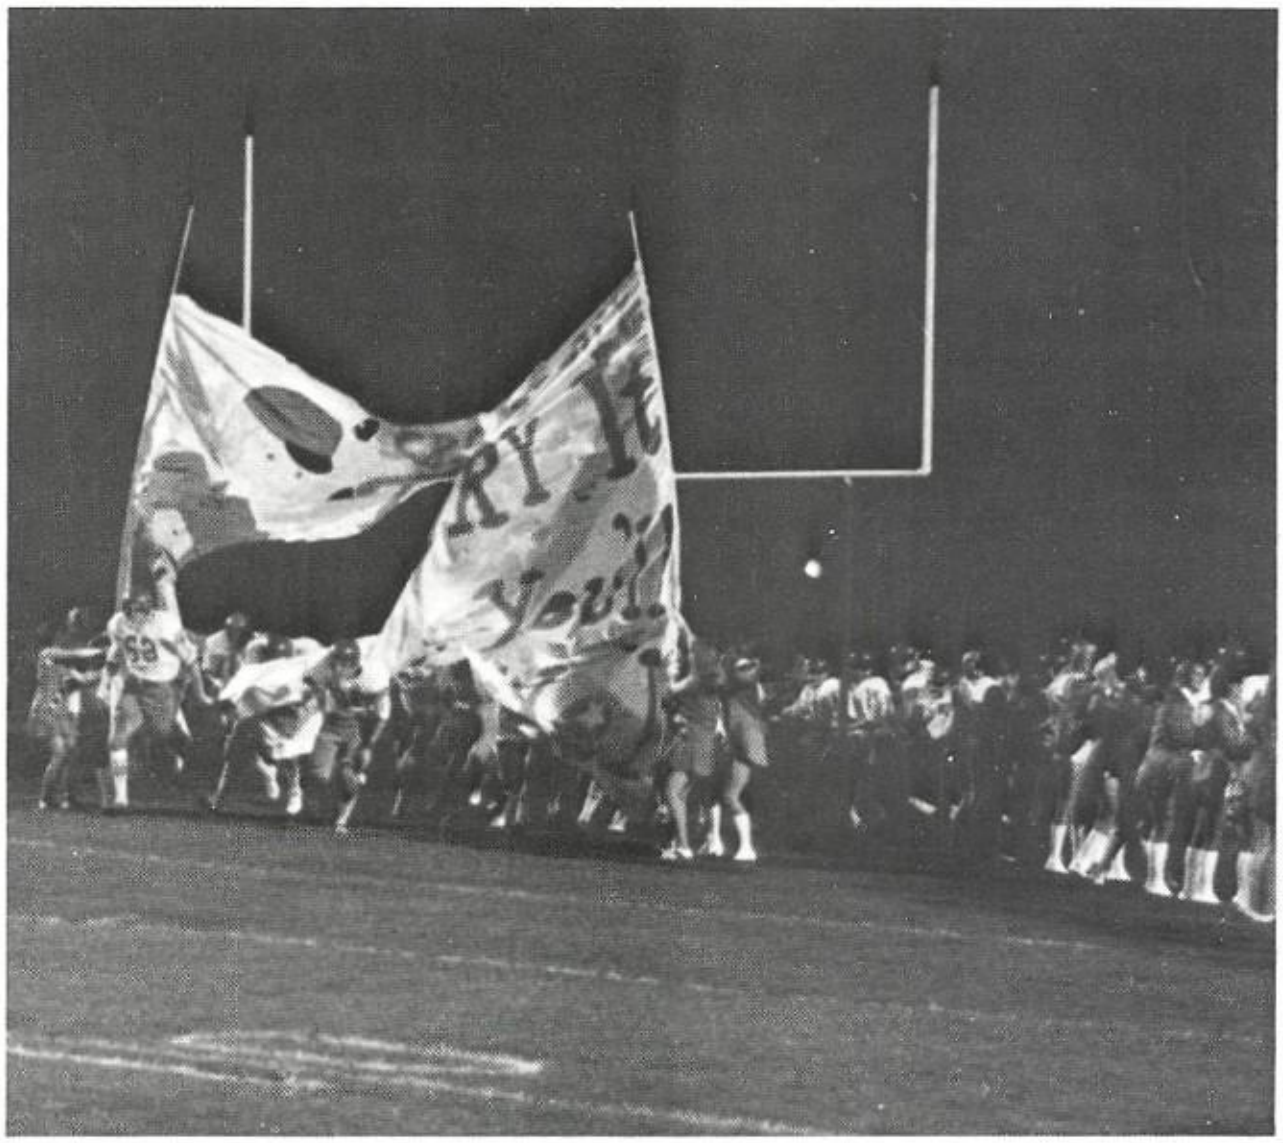
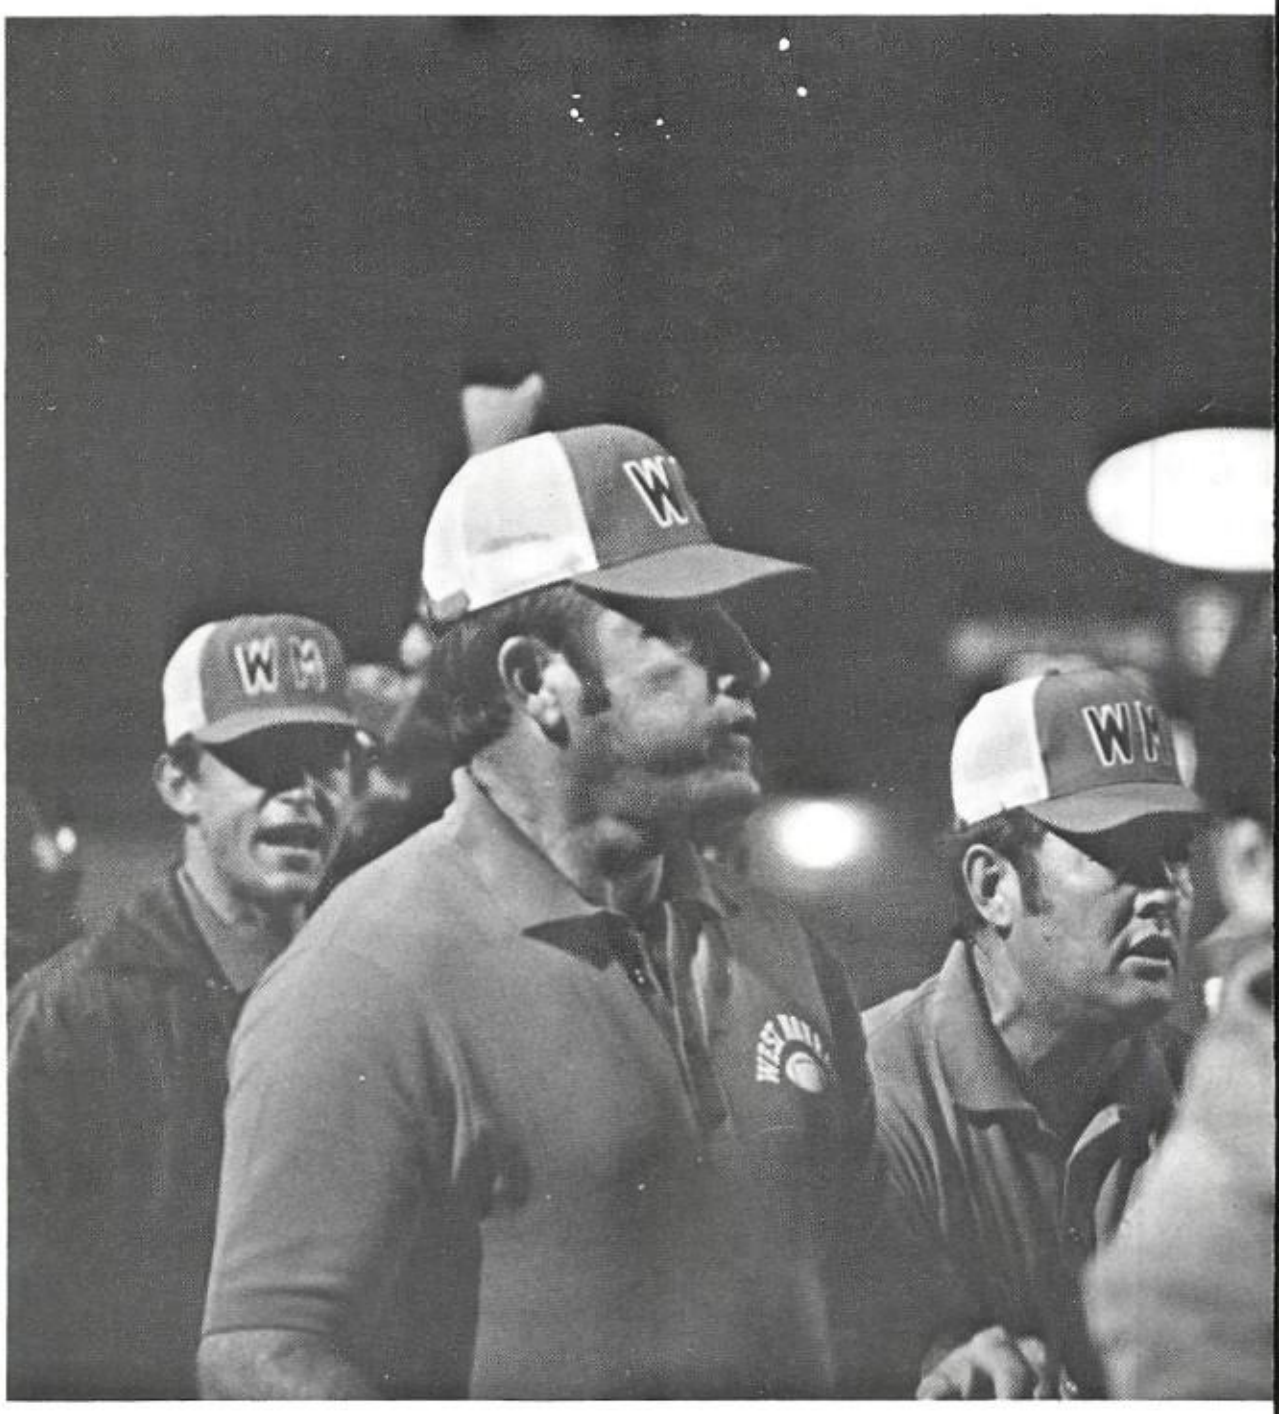
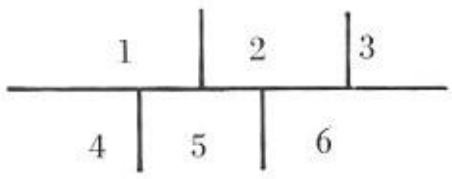
VICTORY FOR REBELS CAME IN THE FOURTH period as the Rebs posted their first district win against Ruston. The Rebs pounded out 136 yards the second half, propelling the last quarter outburst that proved efficient for a very important victory.

With Tommy Glass pushing down the middle, and Robbye Beckwith sweeping the ends, Rebs saw plenty of action and the game was in the hands of the victor.

Defensively, the Rebels allowed only 63 yards on the ground and only three passes completed. Ruston Bearcats were allowed only three points, that coming at the end of the first quarter on a 25-yard field goal.







1. One of the many run through signs.

AIRLINE'S DEFENSE ROSE FOR THE OCCASION THE second half, as the Vikings handed the West Monroe Rebels their third defeat in seven outings. The game was tied at the end of the first half, but the Vikes soon took charge of the game on their first possession. With long, accurate passes and a punt return in the third quarter, by the Vikings, Rebs were virtually blown off the football field.

Rebels could not get a ground attack started the last half as the opposing defense held WMHS, to 56 yards rushing. Rebs one score came from an intercepted pass by Roger Morrow and returned for 68 yards and a touchdown in the first quarter.

WITH A 3-1 RECORD IN A TIGHT DISTRICT 2-AAAA, Rebels traveled across the river to Ouachita, to play the Lions. After a disappointing first half, the score was 7-6, West Monroe's favor.

The first time Rebels got the ball in the second half, they marched for a 55 yard score by Tommy Glass. A second score came in the third period of play, with Dirk Allision scoring on an end sweep. Rebs scored once more in the fourth period with Glass scoring his second touchdown of the night.

Ouachita's lone score came on a touchdown pass to a wide-open receiver, with a couple of minutes left in the third period.

Following the victory, Rebels moved into lone possession of second place in the district.

TRAILING 22-12 AFTER THREE QUARTERS AND battling for the runner-up spot in district 2-AAAA, the West Monroe Rebels defense held the Bastrop Rams on their own 2-yard line, then marched 98 yards for a score.

With less than three minutes left in the game, Mames Simmons trounced on a Ram fumble on the Bastrop 43 yard line.

The offense took over and scored on an exciting fourth down pass to Mike Shields standing all alone in the end zone with 18 seconds left in the game. The Rebs were then owners of a State Play-off berth for the first time in the Reb's nineteen year history.

Under the coaching of Jimmy Aarons and Don Alonzo, WM-JV's compiled a record of 3-3 for the year.

STARTING OFF SLOW, REBELS LOST THEIR FIRST FOUR OF five ballgames. Winning the Winnsboro tournament, and placing third in the Bastrop tourney, Rebel basketball showed improvement as the season progressed.

Entertaining Bastrop in their first district game, Rebs whipped the tough Rams, 59-52, but were badly beaten by Ruston in the following game. Rebs also beat Ouachita and Alexandria but lost to Bolton by a close score.

HALFWAY THROUGH THE SEASON, REBELS DROPPED their third district game to the Neville Tigers, 77-75. Leading at one time by 13 points, Rebs soon saw the Tigers whittle away the Rebel lead and rally to gain the lead themselves. With good bench strength and a superb full-court press, the Tigers upset the Rebels hopes for lone ownership of second place in district 2-AAAA.

REBELS PLAYED THEIR GREATEST GAME OF THE season against district rival Bastrop, losing by only four points, 69-65. Leading throughout three quarters of the game, Rebs found the going rough in the fourth one. Bastrop's fine shooting and their rebounding ability proved well enough as the Rebels fell to defeat.

When Ruston's state ranked Bearcats came to Rebel land, they easily romped past West Monroe for the second time this season. Led by Bill Allen, Ruston handed the Rebs their third loss in five games.

HARD WORK AND DETERMINATION BY THE JUNIOR VARSITY BASKETBALL PLAYERS OF 1973 PROVED WELL ENOUGH AS THE J. V.'s compiled an outstanding season record. Balanced by four Juniors and five Sophomores, the young Rebels progressed into a fine team.

At Midseason the Jayvees had lost only one district game, and that was to Bastrop by a score of 58 to 53. Leading scorers throughout the season were J. B. Watkins and Grer Slocum, both of whom are Sophomores. The team was coached by Danny Palmer.

PREPARING TECHNIQUES AND DEVELOPING SKILLS WERE KEY FACTORS IN WMHS GOLF THIS SPRING. COACHED AND SPONsored by Jim Knox, the golfers began preparing for the new season in mid-January, meeting each afternoon at the Highland Park Country Club.

Responsible for leading the golfers was Kent Adams, a returning titlest of last year's squad. Joining him will be David Cole, John Rappold, Jay Mallard, and Gary Hoover. Billy, Michael and Phillip Periot, transfer students from Texas will complete the roster for the 1973 golf season.

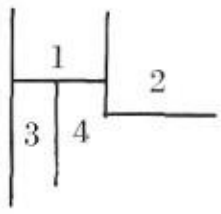
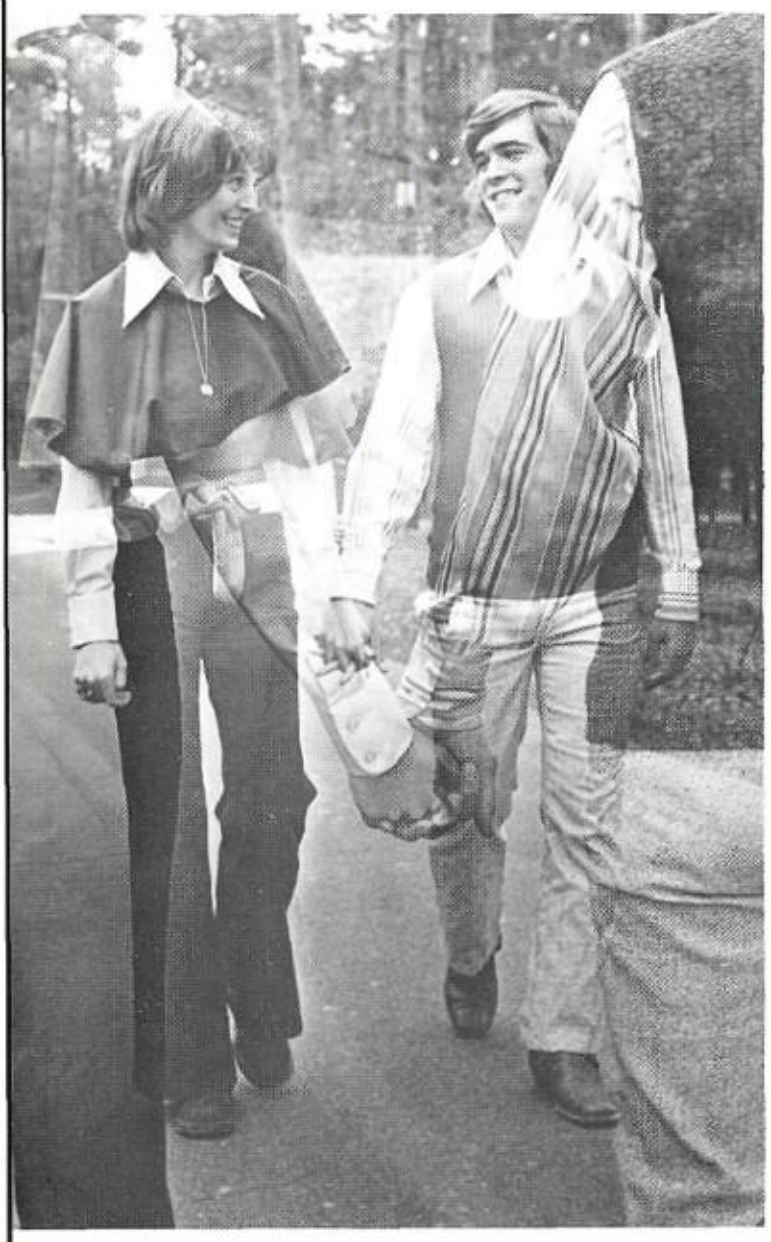
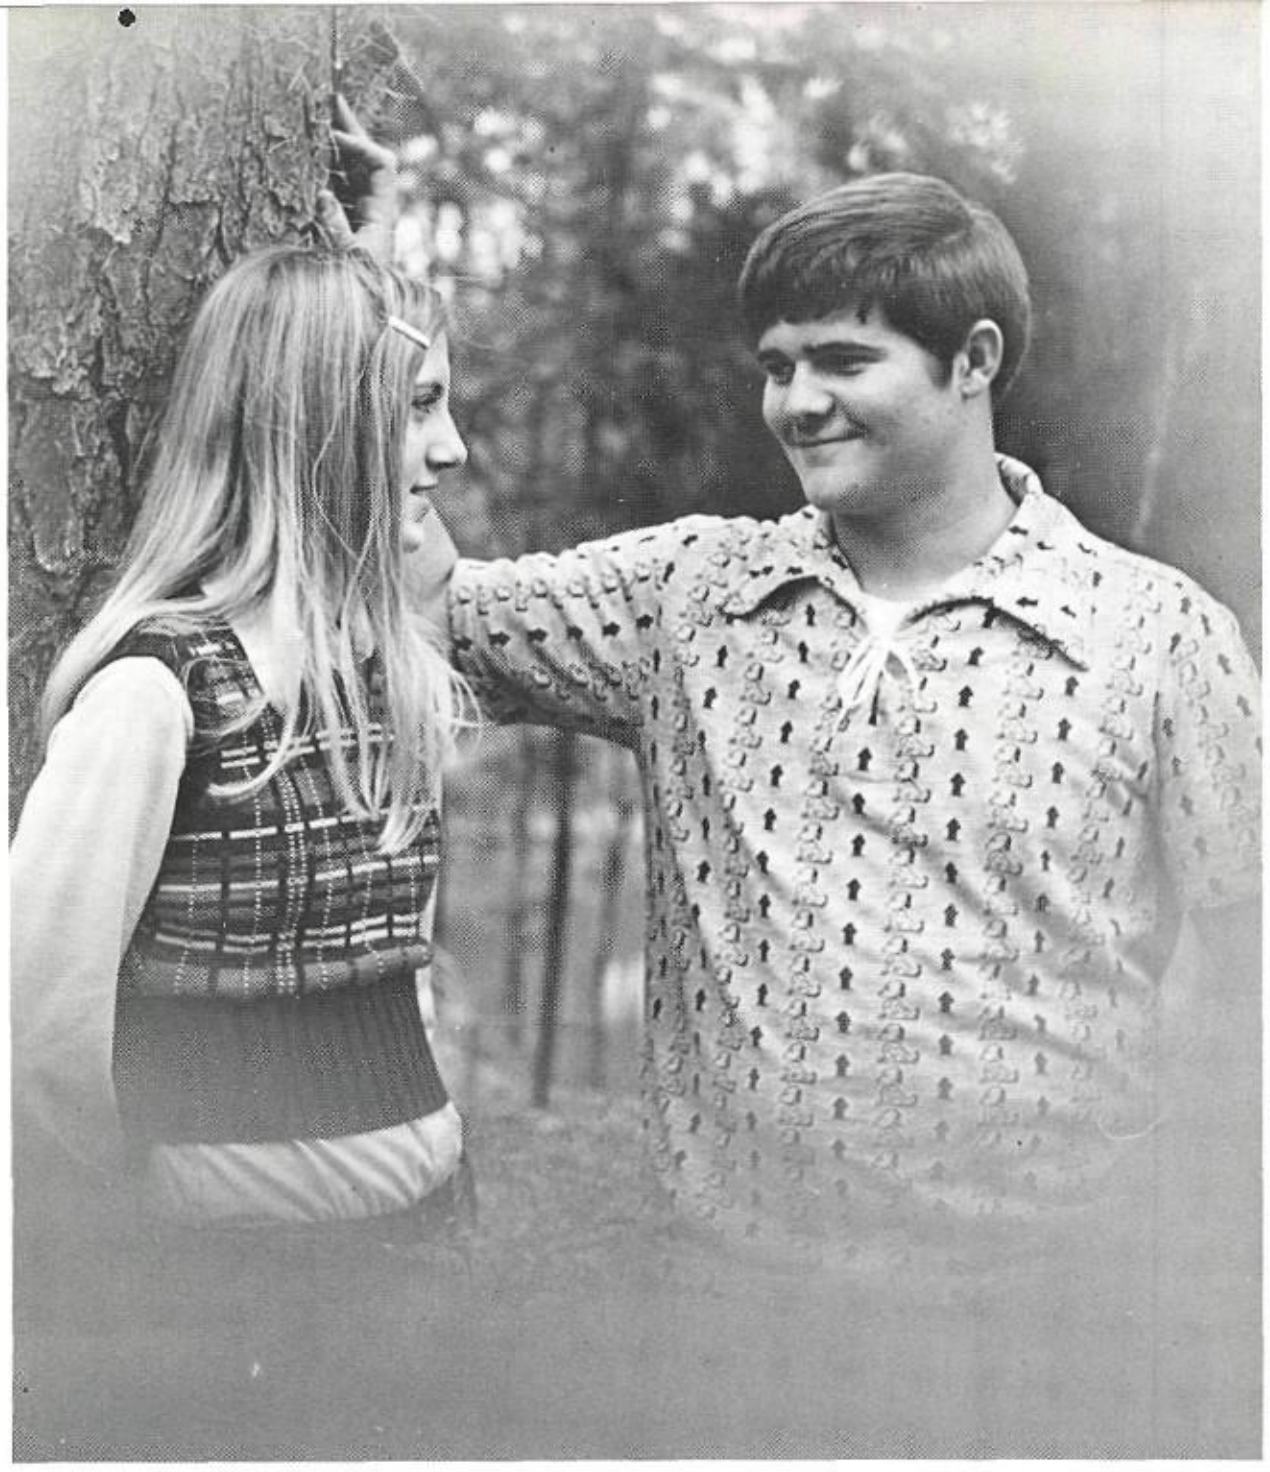
ANTICIPATION FOR A GREAT 73 BASEBALL YEAR WAS IN the minds of 14 returning lettermen from last year's squad. Spirited by the entire returning infield, the diamondmen was expected to be a contendor for the district title.

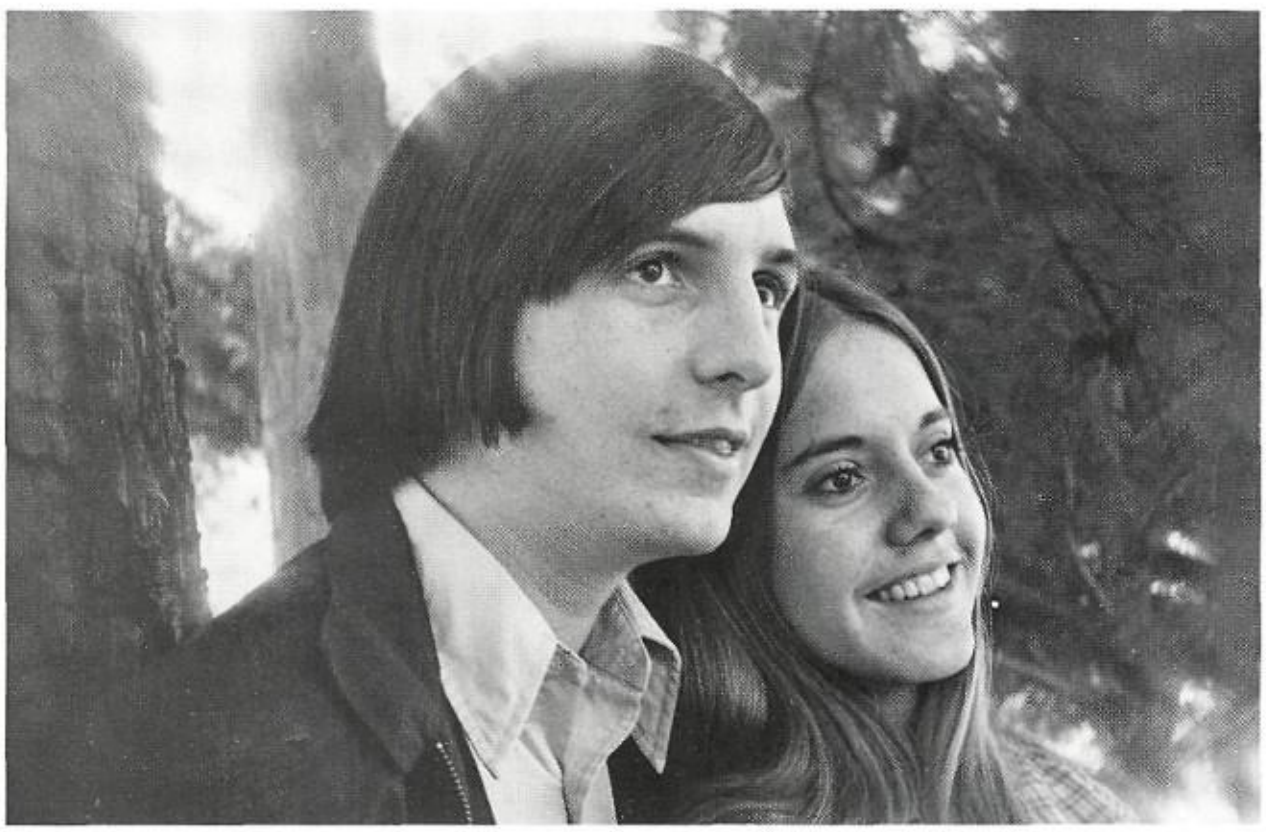
A new head coach was also a bright spot in the Rebel baseball program. Coaches Stan Johnson, Roy Peters, and Jimmy Aarons piloted the ballclub in what many players considered the year for West Monroe.

Long hours of constant practice provided each player with the determination to defeat each ballclub they faced. Team unity was a product of this determination and became a foundation for the success of the team.









If you love something, you must set it free;
If it returns, it is yours.
If it doesn't, it was never meant to be.

HERE I AM, RIGHT IN THE MIDDLE OF A HUGE MOB, JUST LIKE A LITTLE PIECE IN A giant puzzle. Among the factors that hold us together is our pride. Not just pride for the school, but also for the people in it. As a freshman it took quite a while to achieve this pride, but by the time I had become a Senior I had acquired it to the fullest extent. Yes, I am an individual, but at the same time I am bound together with the rest as one—the student body at West Monroe High School.

BOY, WE thought we were really tuff, but suddenly we realized it wasn't the ring that changed our feelings, but we, ourselves. Whether we wanted to admit it or not, we were on our own, making our own happening, and no one could tell us otherwise.

SURE, WE'VE COME A LONG WAY SINCE THE DAYS OF TEACHER'S PET, JUMP ROPE, AND lunch boxes; but most of us still had a longer way to go. We remembered the silly things that we had done and laughed about them. Though we didn't plan it that way, more strange things kept happening to us. We still kept laughing. The past was behind us, but would never be forgotten; even more important was the future ahead of us, waiting to be turned into almost anything we greatly desired.

THERE WAS NEVER A DULL MOMENT THIS PAST YEAR FOR US. WHEN WE WEREN'T studying for tests and doing homework it was all systems go toward having fun. But in our so-called fun, did we really get to escape our troubles and pressures that had been placed upon us? Sure, for the time being we could get out and relax, but always in the back of our minds was a novel to be read due one week and a history report the next.

ON BECOMING SOPHOMORES, WE WERE OFFERED MORE SUBJECTS THAT SEEMED TO be interesting, yet at the same time more difficult. Geometry was available for those of us who thought we could handle it, and suprisingly enough, most of us could. Biology, which gave us new insights into our lives and what made us what we were, was also offered. And for those of us who preferred working creatively with our hands, crafts class was offered in Art II.

AFTER WE MADE IT THROUGH OUR SOMEWHAT CONFUSING, NERVE-wracking orientation, we became sophomores. Even if it meant nothing else, we knew that we had matured a little and had become more accustomed to our high school life. Doors were opened to use that we never knew existed, and now we could participate in varsity sports, as well as join organizations. We could even attend bonfires and really feel as though we were a part of the school.

WHAT DOES THE FUTURE HOLD FOR US? COLLEGE, marriage, or nothing? The time for us had come to decide if we wanted to remain in school or drop out. It had been drummed into our heads for the last 10 years that in order to get a good job, we needed a good education. But was this necessarily proven? We wanted to make our own decisions. Was it really true that if we dropped out, our lives would be at a dead end? With nowhere to go? What was the right decision?

IN MEMORY OF LESLIE KIRBY

Leslie Kirby, a friend to all, drowned in a swimming mishap May of 1972. He would have been a 1973 Senior. Leslie was a member of the Rebel track team and other organizations. Sadly we think of his loss, but happily we cherish his memories.

AS THE SCHOOL YEAR CAME TO A CLOSE, IT SEEMED ALL OUR WORRIES WERE OVER TIL next school year. Our life was ahead of us and we were soon to realize that growing up wasn't so easy.

We would like to acknowledge the dedicated supporters of the WMHS Rebelaire. You've made it possible for us to come to school not only to enrich our minds, but to learn to live in a society of varied personalities that we came not only to like but to respect.
